A Moka pot on the induction hob: when tradition is renewed

The Advantages of Induction

- Ease of use
- Less heat loss compared to traditional gas stoves
- Greater safety: no gas leaks or dangers with the flame. In addition, the heat is emitted only on the cooking area, while the rest of the plate remains cold
- practicality and speed for cleaning.

Perfectly roasted

The Bialetti artisan method, based on slow and controlled roasting, allows you to enjoy a coffee that embraces the entire aromatic spectrum and enhances the characteristics of every origin.

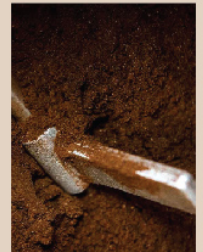

Thus, Bialetti creates a unique aroma, which can offer you simply perfect moments.

Perfectly ground

The Bialetti grinding technique has been precisely designed for preparation of coffee in a Moka, guaranteeing impeccable extraction.

Our coffee powder has a specific particle size, allowing the consumer to enjoy a full-bodied, creamy and... simply perfect... coffee.

Perfect taste

A perfect coffee has to have a perfect taste, above all.

Authentic Italian Indulgence

Create café-style indulgence in the comfort of your own home.
